

See what a Pretty Little Girl is Mine

1. See what a pre-tty li - ttle girl is mine. She's brought me ma - ny a
glass of wine. A glass of wine and a bis - cuit too. See what my pre-tty girl can do.

2. On the carpet you shall kneel
Till the grass grows in the field
Stand up, stand up on your feet
And kiss the one you love so sweet.

Singing game: Children dance around skipping, with one little girl in the middle. At the words [Stand up], she would stand up and kiss one to choose for the middle, taking that one's place.
