1. All hail and praise the sacred morn,
Behold the Son of God is born.
Sweet Alleluia let us sing,
To Jesus Christ our heavenly King.
2. Behold the bounteous gifts of heaven,
This day to all mankind is given.
Oh, happy day, mankind rejoice,
And praise him with a cheerful voice.
3. See how our blessed Saviour lay,
Within a manger filled with hay,
While spotless innocence divine,
Did on his sacred temple shine.
4. But now the great Messiah reigns,
Where angels sing in heavenly strains.
Where great Jehovah dwells on high,
Above the regions of the sky.
