The musical score is written on six staves in a single system. It features a treble clef, a key signature of one flat (Bb), and a time signature of 6/8. The melody is simple and consists of quarter and eighth notes. The lyrics are printed below the notes, with hyphens indicating syllables that span across multiple notes. There are several long horizontal lines (underscores) under the lyrics, likely indicating where a singer should breathe or where the melody continues on a subsequent line.
