1. Me and pa went out one day, down the coun - try land did stray. A

let her see a - ny - thing red, sir. Don't let her see a - - ny - thing
red, sir. Don't let her see a - ny - thing red, sir.' So I cover - ed up fa - ther's nose.

1. Me and Pa went out one day
Down the country we did stray
A bull dashed out of a field, you see
And the farmer shouted out to me
"Don't let her see anything red, sir.
Don't let her see anything red, sir
Don't let her see anything red, sir."
So I covered up father's nose.
2. A tramp came round to our house once
He said, 'I've had no food for months.'
Said I "I know that's very very hard
But you pop around to the old back yard.
Father's in the pigsty, father's in the pigsty
Father's in the pigsty.
You'll know him by his hat."
