

His Old Grey Head Kept Nodding

My moth-er she told me to take him to school, And I _____ should have him _____
I took him to school and he fell off the stool And his old grey head kept nod-ding. _____

2. My mother she told me to take him to France
And I should have him,
I took him to France and he started to dance,
And his old grey head kept nodding.

3. My mother she told me to take him to Spain
And I should have him,
I took him to Spain and he fell down the drain
And his old grey head kept nodding.
