

Polka Mazurka
"Plain Schottische"

$\text{♩} = 130$

Alternative

Last 4 bars, last time (from c)

Bars 1, 5 and 13 (a) are interchangeable, as are bars 3 and 15 (b). So are the individual halves of the bars. The first quaver of a pair was played roughly twice as long as the second. The notes shown dotted here were generally longer and more accented.

Source: Stephen Baldwin played the fiddle at Upton Bishop, Herefords.

Recorded by Peter Kennedy, 13.10.52 and Russell Wortley, 22.06.54

Notes: Stephen Baldwin played the same tune twice for PK, in G under the title "Polka Mazurka", and in D with the name "Plain Schottische". He played it in C for RW; it is referred to as "untitled Schottische 2" on the Leader record.
